Catch-up Premium Strategy
2016/17

The literacy and numeracy catch-up premium gives schools additional funding to support year 7 pupils who did not achieve the expected standard in reading or maths at the end of key stage 2 (DfE).

For the academic year 2016/17, The John of Gaunt School received the same funding as the previous year.

Yr 7 Catch-up funding	
Total number of students eligible for English:	29
Total number of students eligible for maths:	28
Total amount of Catch-up funding received:	£17,500

Strategy

		Academic criteria	Intervention/Support
Tier 1	Additional Maths/English Faculty intervention	KS2 test score of ≤90 in English or maths.	- Accelerated reader programme. - Small group tuition with teacher or HLTA. - Tutor time maths booster sessions delivered by HLTA. - In class support for targeted students with maths & English TAs.
Tier 2	Individual Learning Department Intervention	KS2 test score of ≤90 in maths.	- Small group interventions in reading (SRA corrective reading programme) and spelling, delivered by SEN teachers or experienced TA's. - Small group maths intervention delivered by a TA.
Tier 3	Transition curriculum	KS2 test score of ≤80 in English and maths or were not entered for KS2 tests.	- Full curriculum support within the transition group (very low numbers). - High focus on phonics (sound discovery programme), spelling intervention and number bonds (success with arithmetic programme). - Adapted curriculum time with increased English & maths. - Experienced primary trained teacher delivering all English & maths. - Additional small group support with SEN specialists as required.
