Dear Parents/Carers,

May half-term revision sessions in Year 11

As part of our continued intervention programme with our Year 11 students this year, we are keen to offer some more revision sessions in a number of subjects during the May half-term break which starts on Monday 29th May, although this is a bank holiday so sessions will run from Tuesday 30th May.

These extra revision sessions have proved very popular and successful in the past in helping students to achieve their potential as the summer exams are now upon us. The timing of these sessions is very important with some exams not happening until after half-term.

Please see the attached timetable of the sessions which we plan to offer our Year 11 students. We would really appreciate your support in encouraging your son or daughter to attend as many sessions as possible. Please note that these sessions will only run subject to sufficient students signing up for them.

Your son or daughter will be asked to sign up in advance for those sessions they wish to attend. It is important that students understand that if they sign up for a particular session, they must attend as agreed. In addition, some students will be specifically asked to attend particular revision sessions, in those subjects where we feel they need some extra support at this crucial time.

Please do not hesitate to contact me, via email, if you have any questions.

Yours sincerely,

Mrs B Green
