

Catch-up Premium Strategy
2018-9

The literacy and numeracy catch-up premium gives schools additional funding to support year 7 pupils who did not achieve the expected standard in reading or maths at the end of key stage 2 (DfE).

Yr 7 Catch-up funding	
Total number of students eligible for English:	58
Total number of students eligible for maths:	58
Total amount of Catch-up funding received:	£19, 500

Strategy

Whole school strategies – Accelerated Reader and Talk for Writing are both aimed at raising standards of literacy. Hegarty Maths is used to improve standards in mathematics.

Tier	Department	Academic Criteria	Intervention and support
Tier 1	Additional Maths/English	KS2 test score of <100 in reading	<ul style="list-style-type: none"> - Small group tuition with teacher or HLTA. - In class support for targeted students with maths & English TAs. - Dedicated Accelerated Reader lessons.
Tier 2	Individual Learning Department Intervention	KS2 test score of ≤ 90 in maths and <100 in reading comprehension (or if reading age is more than 6months below chronological)	<ul style="list-style-type: none"> - Small group maths intervention delivered by a TA and HLTA - Literacy and numeracy lessons delivered by a class teacher and HLTA using Hegarty Maths, Accelerated Reader and SRA Corrective Reader Program - Dedicated Accelerated Reader Lessons
Tier 3	Transition Curriculum	KS2 test score of <80 in maths and ≤ 90 in English (or reading/spelling ages below 10) or were not entered for KS2 tests.	<ul style="list-style-type: none"> - Core subject support within the transition group (very low numbers) all English, Maths & Science. - Literacy and numeracy lessons delivered by a class teacher and HLTA using Hegarty Maths, Accelerated Reader and SRA Corrective Reader Program - Additional small group support with SEN specialists as required. Dedicated Accelerated Reader Lessons
